Results must be submitted to the FBBSTI office by November 30th, 2022. Later submissions will not be considered.

In separate competitions, the «Best male» and «Best female» titles will be awarded to the dog and bitch with the highest score, respectively. The title «WINNER FBBSTI GP 2022» will be awarded to the WSSD with the highest total score. The title «VICE Winner FBBSTI GP 2022» goes to the BOS. If scores are on par, the titles go to the WSSD with more participations at shows. If participations are on par then the title goes to the older WSSD.

After evaluation and confirmation of results and pedigree submitted, the winning WSSDs will receive a **certificate and cup**:

«**Winner**» = WSSD with the absolute highest score = big cup

«**Vice Winner**» = BOS with the highest score = a bit smaller cup

The decisions made by the Office are final and unimpeachable. The winners of the annual competition will be published on the FBBSTI Website. Prices that cannot be awarded within two years will lapse without substitution.
