	single level with «vg»	= 1 point
	FBBSI tournament	double points

Supp. documents: Copy of performance booklet, performance sheets and ranking lists

BBS whose owners are members or partners of the FBBSI through a breed club or a breeders' association can take part in the **annual competition**. The points must be obtained under at least two different judges if several tests are taken. The owners themselves are responsible for the administration of the points of their BBS and the timely communication of the results to the office of the FBBSI.

Winner in the annual competition: «Winner FBBSI GRAND PRIX 2022»

Collect your results and make a list per dog for the competition at the end of the year. Send both the receipts and the list per dog to the FBBSI information center by January 31 for evaluation. In the event of a tie, the higher number of training titles or the higher examination level decides. In case of doubt, the information center makes the final decision.

After checking and confirming the submitted results, the winner will receive a corresponding **certificate and trophy**.

The trophies should be handed over within 6 months of the following year at an agreed place. Responsibility for time and place rests with the winner. If the winner has not made an appointment within these 6 months, the trophy will be used for other club purposes.

In case of uncertainty, the German text takes precedence over other language translations.
