However, at the **competition of the year** only WSSD may take part, whose owners belong to a breeding membership or breeders club of FBBSI and who took part at least at two of the shows mentioned above. Winner in the annual competition: «Winner FBBSI GRAND PRIX 2023»

Results must be submitted to the FBBSI office by November 30, 2023. Later submissions will not be considered.

In separate competitions, the «Best male» and «Best female» titles will be awarded to the dog and bitch with the highest score, respectively. The title «WINNER FBBSI GP 2023» will be awarded to the WSSD with the highest total score. The title «VICE Winner FBBSI GP 2023» goes to the BOS. If scores are on par, the titles go to the WSSD with more participations at shows. If participations are on par then the title goes to the older WSSD.

After evaluation and confirmation of results and pedigree submitted, the winning WSSDs will receive a **certificate and cup**:

«**Winner**» = WSSD with the absolute highest score = big cup

«**Vice Winner**» = BOS with the highest score = a bit smaller cup

The decisions made by the Office are final and unimpeachable. The winners of the annual competition will be published on the FBBSI Website. Prizes that cannot be awarded within two years will lapse without substitution.
